## Preface

We are delighted to introduce the Proceedings of the Second International Conference on Progressive Education (ICOPE) 2020 hosted by Faculty of Teacher Training and Education, Universitas Lampung, Indonesia in the heart of the city of Bandar Lampung on 17 October 2020. Due to COVID-19 pandemic, we took a model of totally online organized event via Zoom. The theme of the 2<sup>nd</sup> ICOPE 2020 was “Exploring the New Era of Education”, inviting academics, researchers, teachers, practitioners, and students around the world to participate and exchange ideas, experiences, and research findings in the field of education to make a better, more efficient, and impactful teaching and learning.

This conference was attended by 190 participants and 160 presenters. Four keynote papers were delivered on the conference, the first two papers were delivered by Prof Emeritus Stephen D. Krashen from University of Southern California, USA and Prof Dr Bujang Rahman, M.Si. from Universitas Lampung, Indonesia. The second two papers were presented by Prof Dr Habil Andrea Bencsik from University of Pannonia, Hungary and Dr. Hisham bin Dzakiria from Universiti Utara Malaysia, Malaysia. In addition, a total of 160 papers were also presented by registered presenters in the parallel sessions of the conference.

The conference represents efforts of many individuals. Coordination with the steering chairs, was essential for the success of the conference. We sincerely appreciate their constant support and guidance. We would also like to express our gratitude to the members of the organizing committee for putting much effort into ensuring the success of day-to-day operation of the conference and the reviewers for their hard work in reviewing submissions. We also thank the four invited keynote speakers for sharing their insights with us. Finally, the conference would not be possible without the excellent papers contributed by authors. We thank all authors for their contributions and participation in the 2<sup>nd</sup> ICOPE 2020.

We strongly believe that the 2<sup>nd</sup> ICOPE 2020 has provided a good forum for academics, researchers, teachers, practitioners, and students to address all aspects of education-related issues in the current educational situation. We feel honored to serve the best recent scientific knowledge and development in the field of education and hope that these proceedings will furnish scholars from all over the world with an excellent reference book. We also expect that the future ICOPE conference will be more successful and stimulating. Finally, it was with great pleasure that we had the opportunity to host such a conference.
